### Match Reports

#### Round 10 - 26 November 2011

---

**Round 10** may have been washed out, but we still have some great news this week – courtesy of Thomas Alexander from the 8/1 White's, and the September Team of the Month – the 9/1's!

**Tball** – Thomas Alexander - Under 8/1 White

From Thomas Alexander, 6 years old, a member of the all-conquering Sharks 8/1 White team, here is his poem – **Tball**:

Its finally here, its Saturday  
The weather is good, I'm keen to play.  
All dressed in my uniform ready to go  
The butterflies are already starting to grow.  
Time to practice with my glove and bat  
Coach Bill tells us where we are fielding at.  
I'm fielding at shortstop for the match  
Second Innings I get a good catch.  
The game is almost over I'm up at the plate  
If I got a home run that would be great.  
The umpire says "Playball", I swing, it's a hit  
The ball screams past the outfielders mitt.  
Past First Base, Second then Third  
Run for home is all I heard.  
The Giants throw, I slide for home base  
The umpire's not sure but then he yells "Safe!"  
The team is cheering "Wow, great hit TJ!"  
The Sharks win, the Sharks win "Hip Hip Hooray!!!!"

Wow, thank you Thomas.

## Match Reports - Round 10 - 26 November 2011

### September Team of the Month

The 9/1's arrive keen for a big feed ...

On Tuesday 22nd November the 9/1's braved the rain even though training was cancelled to enjoy a team dinner at The Point at Taren Point Bowling Club.

The 9/1's were given their own table right by the novelty machines which were given a thorough workout. Unfortunately the team didn't come away with the iPad but we did manage to win a car, boat and a whoopee cushion.

Three jugs of soft drink were served and drunk quickly with some players drinking all three flavours at once!

As soon as 5:30pm ticked over we ordered our choice of Spaghetti Bolognese, Calamari and Chips or Chicken and Chips which was served promptly. I don't know if that was because of all the noise we were making from the excitement of being out at a team dinner.

A great time was had by all except Rivva who was at home recovering from his recent operation to remove his tonsils.

Get well soon Rivva.

Thanks to Taren Point Bowling Club!

Kate

### Cronulla Sharks Under 9/1

... and look set to enjoy the meals as well

On behalf of the 9/1s, I'd like to thank Kate our wonderful manager for organising the enjoyable dinner at The Point last week. Due to her time & effort in lodging such great team reports each week, the 9/1s boys & girls were able to have some priceless bonding time off the field..!!!

Our little team and the Club is very lucky to have you involved!

Many Thanks again Kate ....

Cindy, on behalf of all the parents in the 9/1.
